ROUND OF APPLAUSE RECOGNITION

Darius Quick

You have been recognized by Lauren Pizzi

I want to sincerely thank the entire team for stepping up while your colleague was on leave. I know this was a challenging & exhausting stretch, but you took ownership, supported one another, & ensured our patients continued to receive the care they needed. Your resilience, teamwork, & willingness to take charge during a demanding time did not go unnoticed. I truly appreciate everything you did to keep things running smoothly. Thank you for your continued dedication & support of one another!
